Dear Mr. Kingsland:

On behalf of CAREERS for People with Disabilities, Inc., I want to thank you for your donation of \$300.00 towards our Twelfth Annual Anniversary Celebration by placing an ad in our Journal. Each of the more than 240 guests in attendance on June 11, 2008 at the Crowne Plaza in White Plains received a copy of the Journal with your ad in it. *No goods or services were provided in return for this donation.*

Once again this year, we hosted a wonderful celebration for our clients and their employers. The event was quite a success with guests celebrating 210 of our clients' employment anniversaries, ranging from 1 to 27 years.

Your contribution has made a direct and important impact on the success of our program. As a private, non-profit agency, CAREERS relies heavily on help from people like you to enable us to continue providing job placement and support services to individuals with disabilities. Support from our friends and benefactors like you has allowed us to make over *50 new job placements so far this year* throughout Westchester and Putnam counties.

Our Annual Anniversary Celebration is our biggest, most important event of the year and we look forward to you joining in its success again next year. **Once again, thank you so much for your generosity.** We couldn't do it without you!

Sincerely,

A handwritten signature in blue ink that reads "Tina Cornish-Lauria".
