### A look back at 2011

As we look back at 2011, our group had many interesting meetings and presentations. In January, we held a new members breakfast at Doral Arrowwood. The tough economy saw a bit of a decline in membership, but we also were fortunate enough to acquire some new members and they were welcomed. February Jeff Tafel from IFMA Corporate visited with us to speak about opportunities to advance members knowledge. In March, our new Officers were elected and our new programs chairperson Justin Frye took the reins. We visited Edith Macy for a tour and presentations by Joanne Deyo, Jason Black, Phil Marzullo & David Vogt, then and who can forget the great tour of the Nestle Waters facility in Stamford.

In June, just before we broke for the summer we had a great time at MSG's practice facility, thanks to Joanne. Other meetings held at Blue Book Building and Construction and IONA Prep in New Rochelle featured tours of their fantastic facilities along with presentations at each. The year was capped off by a truly special Holiday Party at the Half Moon Restaurant in Dobbs Ferry, NY.

Perhaps the most exciting highlight was the official name change of our organization to IFMA – Westchester County / Hudson Valley. A logo design contest will be featured during the first quarter of 2012.

### What will 2012 bring?

In the coming months we at IFMA-HV will discuss topics such as green initiatives, new ideas in design/maintenance, and will surely visit some very interesting sites. We hope that all of our members will take an active part in our organization and will support our efforts. We look forward to sharing your thoughts, your ideas and your talents as we push through 2012. Please feel free to bring any topic to our attention that you would like to see discussed or presented in the coming year. The membership meeting is the place to speak out. We need to hear your voice, your opinion and about the passion that each of you has for your work.

Sincerely,  
The Board of Directors, IFMA Westchester County - Hudson Valley Chapter.
