Fordham Westchester Campus

Fordham Westchester is a three-story, 62,500-square-foot building on 32 landscaped acres with a stream and pond. The campus offers parking for 250 vehicles and access to public transportation. It is on the White Plains border, just off Interstate 287 near the Hutchinson Parkway and Route 684. Just over 18 months ago, the University signed a 20-year lease for the campus, which includes 26 newly designed classrooms with such technological features as smart boards, teleconferencing capabilities and brand new seating and learning areas. The Fordham Westchester Library is a 30,000 volume library with access to the electronic databases of the University, and individual study/learning stations.

Join IFMA Hudson Valley as we meet to enjoy breakfast, listen to a presentation by **Grant Grastorf** *The Academic Operations Administrator* of The Westchester Campus and then tour this facility. We feel it will be one of the more interesting tours presented this year and look forward to seeing everyone. Mark your calendar...March 17, 2010 with registration and networking beginning at 7:30 AM.
