Dear Kevin,

Thank you very much for the IFMA donation of \$500.00 for new pajamas and books for the children of the Pajama Program! This is a great help to us now in "Danger Season!" I've loved thinking about the first time I met you, and the first time I met Randy and now I have such a warm feeling about the first time I met Cathy too! This has really felt like a "family" between Pajama Program and RDW.

When I started Pajama Program in 2001 I wanted friends and families to come together for the children and I can't believe it's actually happening now. Thank you, Kevin, for sharing everything you know about our children and our program with the people you most love in this world – your friends and family!

Merry Christmas and Happy Holidays to all of you at RDW and IFMA.

With love,

Genevieve Piturro
Founder/Executive Director
