Dear Janet,

Wow, what a week!!! Our Third Annual *Stuff A Bus Week* was a huge success thanks to you! Our bus was stuffed with 3,055 pairs of pajamas and 2,425 books and we're still making pick-ups and drop offs before Thanksgiving! On behalf of the Pajama Program and the children in need in Westchester that will benefit from your generosity, I sincerely thank you for supporting our fundraising events with your donation of \$650.

The pajamas and books we've collected these weeks are for our own children in need here in the Westchester area. When I started Pajama Program in 2001, I never could have imagined how many children there are who need our help.... in every City and State in America. Many of the children we serve are waiting and hoping to be adopted. Too many have been abused and neglected, never knowing what it's like to have a mom or dad to tuck them into bed at night. You now help them feel loved and comforted – like having a good night hug. The books help them with their reading practice, something they really need. Sometimes I shiver at the thought of the children who must go without warm, new pajamas for bedtime because we can't reach them all.... so are very grateful that now we can reach so many more children because of your compassion and generosity.

Thank you for sharing your love with these children.

Sincerely,

Genevieve Piturro
Founder/Executive Director
